

GoodPRO®
good protection

Multi-norm protective suit made of high quality blended fabric cotton/polyester with permanent flame retardant **PROBAN®** finish.

Excellent price-performance ratio.

Standard design in blue-grey with **3M** silver reflective tapes.

PROBAN®

Material:

79% cotton, 20% polyester, 1% antistat,
weight 260 g/m²,
permanent flame retardant **PROBAN®** finish

PROBAN® is a quality controlled technological process that provides fabrics with flame retardant properties suitable for long-term use. **PROBAN®** fabrics withstand up-to-date laundering and dry cleaning processes. They provide protection against heat risks in different working environments.

Use:

GoodPRO FR7 Jakub is a basic multi-norm protective suit with a wide range of use. Designed for petrochemical and gas industry, power engineering, refineries and ADR transport.
